DIRECT CASE OF ANCHORAGE TELEPHONE UTILITY

The Anchorage Telephone Utility ("ATU"), through its attorneys, hereby submits its direct case in the above-captioned matter. This filing responds to the June 23, 1993 Memorandum Opinion and Order in this docket, suspending ATU Transmittal No. 66 and designating issues for investigation.

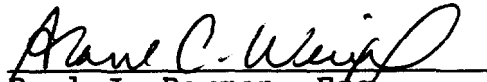

On May 19, 1993, the Commission released a Report and Order in CC Docket No. 92-222 adopting rule modifications to correct the misallocation of general support facility ("GSF") costs among Part 69 cost categories for local exchange carriers (the "GSF Order"). In accordance with the GSF Order, ATU submitted on June 17, 1993, Transmittal No. 66 to revise its Tariff F.C.C. No. 5, to be effective July 1, 1993, to reflect new rates for interstate access as calculated pursuant to the Commission's rule modifications. As demonstrated by the cost support and other information ATU submitted in connection with its

Transmittal No. 66, ATU has properly reallocated GSF costs
in accordance with the GSF Order.

Respectfully submitted,

ANCHORAGE TELEPHONE UTILITY
